

World Book Day 4th March 2021

Usually on World Book Day we dress up as our favourite character from a book but this year will be a bit different. Your teachers will still plan lots of exciting activities to celebrate the day but we have another little task for you.

We would love if you could decorate a potato as your favourite book character! You can paint it, add accessories and be as creative as you like. You can then take a picture and send it to your teacher. I'd love to display the photos in school. If you are in school on the day you will make one there. Good luck everyone, can't wait to see them.

Miss Roberts 😊
