

## Key vocabulary

plan	develop
design	mask
evaluate	model
equipment	

When you design your animal mask you need to think about:

colour

line

texture

material

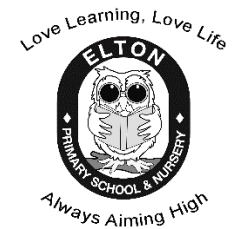

shape

What could you use to make fur/hair?

## DT – Year 1

### Making animal masks

<i>develop</i>	grow or cause to grow and become more advanced, or improved
<i>model</i>	a thing used as an example to follow or imitate
<i>shape</i>	give a particular shape or form to
<i>material</i>	the matter from which a thing is or can be made
<i>stronger</i>	powerful and difficult to resist
