reason	

For humanists, the most important thing is not whether you believe in a god or not, but *how you live your life*.

Humanists believe we can be *good* and *happy* without the need for gods or religion.

Humans should try to live a full and *HAPPY* life and help others do the same.

A humanist may find happiness in spending time with their family, learning new things, or trying to make the world a better place.
