Dear Parents

Food Tasting

As part of our Science, Design and Technology topic the children will be tasting and making food over the next few weeks. Mrs Perry has kindly offered to help us learn about healthy eating and how to eat a balanced diet. We will then be planning, creating and eating our own Greek inspired food.

Please could you fill in the reply slip below to let us know if your child has allergies or dietary requirements we should be made aware of.

Yours sincerely,

Mr Budd
Year 4 Teacher

Food Tasting

Child's Name: Year:

My child suffers from food allergies. (Please itemise food ingredients that your child may react to).	
Any dietary requirements e.g. vegetarian	

Signed (Parent/ Guardian): Date:
