Dear Parents,

Following an extraordinary Governor's meeting last Thursday evening, I am writing to let you know that the Governors of Elton School have unanimously decided that it is in the School's best interests not to join the Learning Trust MAT.

Having given careful consideration to the proposed model and having taken account of feedback from our consultation, we have concluded that this particular structure is not the best model for our School.

We will continue to research other options and keep you informed.

Yours faithfully,

Victoria Carr
