ZEBRA CROSSING UPDATE

The installation of the new zebra crossing starts on Monday 15th Feb - half term week to minimise disruption. The installation will take a few weeks to complete. School Lane will be closed the week of the 15th Feb to allow construction works to take place. This is great news and we hope will be one of the measures we are implementing to address the traffic safety issues during drop off and pick up times by providing a safe place for parents and pupils to cross School Lane. Many thanks to Elton Parish Council and CWAC for providing the funds to make this possible.

KS2 NETBALL TEAM

Congratulations to our KS2 netball team who have made it through to the North West SSP netball finals! The finals will take place in a few weeks time at Ellesmere Port Sports Village. We will keep you updated with their progress.

NURSERY BINGO NIGHT

Don't forget Nursery are holding a bingo night on Wednesday 24th February. Doors open at 7pm, eyes down at 7.30pm. £5 per book. All money raised will go towards new equipment for the nursery class.

Y5 BIKEABILITY

Year 5 have had a challenging but fun week taking part in Bikeability. All pupils who took part passed the training and have come away learning valuable skills to ensure they stay safe whilst out and about on their bikes. Well done year 5!

ROBOTICS

A selection of year 6 pupils were invited to spend the day at the University of Chester Thornton Campus yesterday to take part in a robotics enrichment workshop. The children were involved in programming Lego cars so they were able to navigate around a mini assault course. All the pupils worked as a team and successfully completed the tasks set. Pictures from the event are on our twitter feed so do take a look.
