Dear Parents/ Carers,

This year we will continue to roll out the Christopher Winter programme to all year groups. This is a national programme of human development through science lessons which all schools are being recommended to follow and is being delivered across schools in Ellesmere Port, Helsby and parts of Chester.

The areas covered by this programme are as follows:-

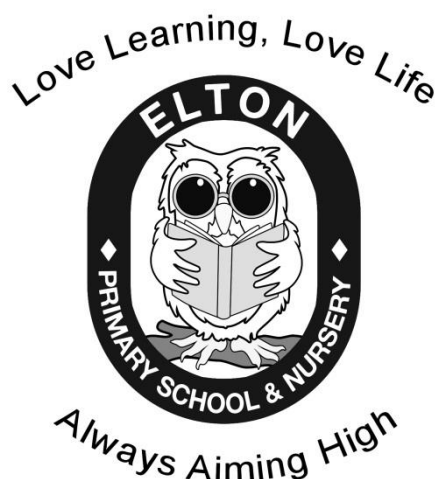

- Our day
- Keeping clean
- Families

These lessons will be delivered later in the term. If you would like to discuss this programme further please do not hesitate to contact the class teacher.

Yours sincerely

Victoria Carr
