18th January 2018

Dear Parents

We would like to introduce ourselves as we are very excited about working with your child in Year 5.

Our names are Miss Harris and Miss Locker and we are currently in our second year at Chester University studying Primary Education BA Hons QTS.

During our time at Elton Primary, we will be teaching alongside Miss Blake up until the end of March.

As our mentor, Miss Blake will be helping us to develop and learn skills to support our teaching careers. We are very honoured to be working with your child in Year 5 and if you have any questions, please do not hesitate to come and ask us.

Thank you.

Yours sincerely,

Miss Harris & Miss Locker
