

# Family First Aid

## Workshop Session

Come along to a two and a half hour Family First Aid workshop session. This workshop covers a range of Emergency Life Support Skills for treating adults, children and babies including:

- Dealing with an unconscious casualty
- CPR
- Choking
- Fits

It is a FREE workshop and is open to all parents/carers.

**There is NO crèche facility for this course and unfortunately no babies or children are allowed to be present while the course is on.**

This Family Learning workshop will run at Elton Children's Centre on:  
**Wednesday 1<sup>st</sup> May 9.30-12. Please call 01606 555287 to book your place.**

---

I will be able to attend the Family First Aid Workshop on:

**Wednesday 1<sup>st</sup> May 9.30-12**

☐

I am happy to complete an enrolment form with my details.
