

My WRAP! SPLAT! HAT! activity sheet

Sun sense

Johnny and Jane got themselves ready today. How did they do? Circle the things that will protect them from the strong rays of the sun.

Look cool, stay cool

What items in your wardrobe will make you look good and keep you protected from the sun this summer? Draw a picture of yourself wearing those clothes.

Daytrip decisions

Jane's off to the seaside. She's got a beach towel, a book and her MP3 player. She's only got room in her beach bag for five more things. What are the most important things for her to take? Draw them or write them in a list to the right.
