Dear Parents / Guardians

I wanted to write to you with an update on wraparound provision for the school.

As you will be aware, since the start of the school year an activities club has been operating in the Community Centre from 3:30-5:00 each night. These sessions cost £5 per session and have proved to be popular. The children are collected from class and escorted over to the Community Centre by school staff. Miss Price is the main link between school and the club.

I am delighted to announce that the group now intend to apply for OFSTED registration. This will have many benefits – most notably that once they receive the registration they will be able to operate for longer than 2 hours each day which is the limit they currently have to work to.

The OFSTED registration process can take up to 26 weeks to be completed so there won't be any immediate change in hours but this will mean that we will be back to offering hours from 7:30-5:30 in the summer or by next September at the latest.

The plan will be that by September the club will run from 7:30-8:30 at £5.25 per session. These sessions will take place in the school. It would then run in the evening from 3:30-5:30 at £5.25 per hour (£10.50 for the whole two hours). These evening sessions will take place in the Community Centre. I know these prices compare very favourably against offers at other local schools.

I know that 26 weeks is still a long time away but I wanted to keep everyone up to date with where plans are with the wraparound provision so families can make long-term plans themselves.

In the meantime if you are interested in booking your child in for any of the current 3:30-5:00 slots then please contact Miss Price via text on 07427566943.

Kind regards

Mr K Manning
