Our ref: PARL 1050

18<sup>th</sup> October 2022

Dear Parents/Carers,

Re: Measles, Chicken Pox

Please can we ask for your cooperation in a vitally important matter? One of our children is receiving medical treatment. This puts the child at serious risk if exposed to measles and chicken pox.

If you suspect that your child has either Measles or Chicken Pox, you should let us know immediately.

Your child is not at risk whatsoever from this situation. However, the health and well-being of the child who is at risk, does depend on your co-operation and that of all other parents.

Thank you in advance for your support with this from 1<sup>st</sup> November and going forward.

With Many Thanks.

Yours Truly,

Kevin Manning  
Head teacher
