storyboard	a visual version of a story.
text	add words to your storyboard
font	a set of printed text defined by design
attach	to add something to your storyboard
image	a photograph or visual representation

How can you make your storyboard look better?

THE THREE LITTLE PIGS

First ... The little pig built a house of straw.
Then ... The big bad wolf blew it down.
Next ... The medium pig built a house out of sticks.
Then ... The big bad wolf blew it down.
Finally ... The big pig built a house of bricks.
But this time ... The big bad wolf could not blow this house down.

We can combine images, text and voice recordings to retell a story.

We can create a visual storyboard and add images and text to make it look more appealing.

We can use a keyboard to type words in text boxes.
